## AAAAEA MARCH DINNER SEMINAR/MEETING I-55 PROJECT FROM I-80 TO WEBER ROAD

By

**Catherine Kibble, P.E.**

Consultant Services Section Chief

IDOT-District 1

[Catherine.Kibble@illinois.gov](mailto:Catherine.Kibble@illinois.gov)

This presentation on the Interstate 55 project from Interstate 80 to Weber Road will provide an informational and progress update regarding the current improvement project. I-55 project involved rehabilitation and widening of several mainline bridges and overpasses in addition to widening and resurfacing of the highway segment from I-80 to Weber Road to accommodate 3-lane traffic in each direction.

### **Bio.:**

Catherine has been employed with the Illinois Department of Transportation since 1983, first as a co-op and then as a full time Civil Engineer after receiving her BS from Marquette University in 1986. During her 23+ years of service, she has worked in the Bureaus of Construction, Programming and is currently the Consultant Services Section Chief in the Bureau of Design. Her experiences include being a Resident Engineer in Construction, a Phase I Squad Leader in the Bureau of Programming overseeing Phase I studies and she is now working in Phase II dealing with the oversight of contract plan preparation. She has been involved with a wide variety of projects including widening and reconstruction, resurfacing and bridge reconstruction projects; most notably she was the Phase II Project Manager for the Kingery Reconstruction project.
