**The Arab American Association of Engineers & Architects
in Illinois (AAAEA) - National Outreach Committee**

AAAEA Representative Mr. Bilal Almasri is Visiting Orlando, FL to Meet with Engineers, Architects, and Computer Scientists of Arab heritage in Orlando to talk about the National Outreach Efforts and Discuss the Local Association's Progress

**You are all invited and
encouraged to attend!**

Date: *November 9, 2007*

Time: *6:00 PM*

Place: *University of Central Florida Campus
Harris Corporation Engineering Center Building (HEC),
Room 450*

Directions: for directions to the UCF main campus, visit the Campus Map website at: <http://campusmap.ucf.edu/address.php> or <http://campusmap.ucf.edu/vicinity/>. These websites will give directions from major Orlando locations. The main Campus Map website: <http://campusmap.ucf.edu/>, will also show the building location on campus with the option of printing a map as well.

Parking: you will want to park behind the HEC building in parking lot C3 (green student parking), which can be reached from Gemini Blvd South, turning at the light with the water tower. Parking permits can be purchased in the lot as well or at the Visitor Information Center for \$5.

**To learn more about AAEA current & past activities,
please visit AAEA website: www.aaaea.org**
